State Parks Hosts a Public Meeting July 7 to Discuss Mt. Tamalpais East Peak Improvement Plan

MILL VALLEY, CA - State Parks is hosting a public meeting to discuss its Mt. Tamalpais East Peak Access and Site Improvement Plan on Thursday, July 7, 5:00 – 7:00 P.M. The meeting will be held at the Mill Valley Community Center, 180 Camino Alto, Mill Valley.

The plan will focus on reorganizing and improving facilities at East Peak, a key visitor use area at the park. Enhancements will reduce the impacts of pedestrian and vehicle traffic, improve access to facilities, and better protect and interpret the on-site cultural and natural resources.

This planning effort is underway with assistance from the National Park Service's Rivers, Trails and Conservation Assistance (RTCA) Program.
